28-Footer designed with
Fun, Value
&
Responsive Sailing
in Mind.**

H U N T E R

The Hunter 280 was conceived to be a spirited performer – fun to sail, cruise or just spend the weekend

anchored up in a romantic cove. Warren Luhrs and the rest of the Hunter Design Team worked hard to put

many of the features and benefits usually found on their larger boats into this smaller package.

jib for easy and efficient handling. All lines lead aft for single or short handed sailing. The large cockpit

The 280 sailplan incorporates a fractional rig with a full roach, fully battened mainsail and roller furling

provides the center from which to sail or entertain. It offers stern rail seats, a choice of wheel steering or

280

optional deep keel.

The 280's roomy interior boasts an aft double berth, a large private head with shower, forward V-berth,

U-shaped dinette that converts into a large double berth, and a well equipped galley for fueling your crew.

Bold, spirited and affordable, the Hunter 280 will inspire you to live for your time under sail.

See your Hunter dealer today to get a closer look the Hunter 280 – the boat that just might be your perfect sailing choice.

optional tiller, and a walk-through transom with swim platform.

For power, you can choose from two inboard diesel engines. And depending on your cruising needs, you can choose a shoal or

A walk-through transom, integrated swim platform, and swim rail with anchor make the 280 transom really functional.

A complete galley with 2-burner stove, icebox, sink, cutting board and storage helps in putting together a quick snack or a full gourmet meal.

The innovative Hunter windshield, large windows, and plenty of opening ports and hatches provide excellent light and ventilation.

Aft stateroom provides comfortable and private sleeping accommodations with good ventilation.

Standard wheel steering

Optional tiller steering available.

All lines lead aft for short-handed sailing.

Instrument pod keeps your electronics where you need them.

Abundant storage for lines, cords and more.

18 HP Yanmar diesel is standard, a 9 HP version is optional. Both afford great accessibility.

Private head with shower and molded vanity.

While everyone else was complaining about the high cost of marine hardware and accessories, Hunter was doing something about it. The Hunter Cruise Pac[®] was developed to make all the accessories and hardware you need standard equipment. We buy top-quality gear in very large quantities. The result? Equally large savings. The Hunter 280 Cruise Pac[®] isn't just sails, winches, and running rigging – it's things like anchor, fire extinguisher, life jackets – even a copy of Chapman's Piloting, Seamanship, and Small Boat Handling. We invite you to compare the Standard Equipment list below with that of any other manufacturer. You'll discover that Hunter is going the distance for you with more – and better gear. For less.

RIGGING

Full batten main and 110% genoa
Jiffy reefing
Fractional rig
Two self-tailing winches
Halyard stoppers (4)
Internal halyards, pre-stretched Dacron[®]
